Contact Name: \_\_\_\_\_ Title \_\_\_\_\_

As a member, we ask that you consider a complimentary 30 minute phone consultation or in person meeting with Steven Maestas/Senior Product Advisor in order to receive the full value of this member group rate program and all that it means for your practice. The value we bring to our members is eliminating a sales process so you can focus on the immediate short and long term needs of your practice while accessing technology solutions with a pre-negotiated price so you will save money and time.
