

HUB

Specialized Program for Medical Practices

Exclusively Offered by
The Hanover and
HUB International New England, LLC

Medical Practices have lots of different insurance needs but knowing where to turn can be confusing. HUB International New England, LLC can help. We've partnered with Health First to deliver comprehensive insurance solutions including the full line of products & services you need.

- Business Owner's Package designed for Medical Practices — including a special discount for Health First members
- Workers' Compensation — with an exclusive Dividend Plan
- Employment Practice Liability Insurance (EPLI)
- Management Liability — Directors & Officers (D&O)/Fiduciary/Fidelity Insurance

Under our new Workers' Compensation Dividend Plan, we return premium based on favorable loss experience. This is our way to reward our "best in class" customers. Dividends can go as high as 23%.

Full line of coverage, less premium due to affordable rates — you can't argue with that.

Bundle in the 160 plus years of insurance experience of an "A" rated insurance company and the exceptional, personalized service you can expect from HUB International New England, LLC, and we think you're headed in the right direction.
