

Working to promote and foster the long-term success of independent health care practices throughout Vermont

Delivering Thousands of Dollars in Savings Annually

- Medical Malpractice Program saves practices up to 50% off annual premiums.
- Through Intalere, member practices can save 22% off business and personal cell phone rates.

Protecting Your Bottom Line

- HealthFirst defeated the proposed 2.35% independent provider tax, saving independent physicians about \$1.7 million.
- HealthFirst advocated strongly for more Medicaid funding to support independent practices and achieved *\$4 million in increased primary care payments* beginning October 1, 2016.

Growing Your Top Line

- HealthFirst signs contract with insurers to reward our practices for high-quality care, with rates up to 30% higher than community fee schedules.

Establishing an Equal Playing Field

- HealthFirst staff and members worked with the Legislature to pass a 2015 bill requiring commercial insurers to make plans to provide fair and equitable reimbursement to independent and hospital-employed physicians.

Easy to Join, Easy to Leave
