

## Ever Wonder If **Reliable IT Support** Exists For Medical Practices Throughout Vermont?

If you're Searching for a Highly-Responsive IT Services Firm in Vermont that's Easy to Work With, Responds Fast and Actually "Gets" that Your Patients Come First, You've Come to the Right Place!

"Electronic life in a busy, small medical office is a daily whirlwind; electronic medical records, patient portals and document scanning. The professional staff at DominionTech have never let us down. And we know the difference they make, having had less-than-great prior experiences with other firms. Hire DominionTech and you won't look back."  
**Dr. David Weissgold**  
Retina Center of Vermont
