ELEVATING THE HEALTH OF HEALTHCARE

Clinic and Physician Office Services

Clinics and physician offices that partner with Intalere have access to innovative tools for reducing costs and improving quality. Every dollar returned to the bottom line is a dollar the facility can invest in new technology, improved business systems or patient services. More than 35,000 physician offices and clinics partner with Intalere to provide the products and services they need most at the best possible price.

Our Value

Intalere's physician office and clinic services include:

Savings of 12 percent or more are common through a total customer-focused portfolio of nearly 1,500 contracts from market-leading suppliers covering most areas of expense, including major categories:

- Medical Surgical Supplies
- Pharmacy
- Office Supplies
- Executive Resources

The Intalere Strategic Savings Program offers members interested in standardization the option to participate in a portfolio of sole source committed contracts. In return for a high level of commitment, participants receive the lowest pricing for products that compose a significant portion of their supply spend.

Executive Resources Solutions enable leaders to enhance their organization on a quality, operational and financial level, through solutions focused on spend management and supply chain, labor management, revenue cycle and executive support and business development.

Intalere Choice helps healthcare providers save an average of 20 percent across our portfolio and earn 1 percent participation rebates. Intalere Choice delivers unbeatable price and quality on a growing selection of medical, pharmaceutical, office and environmental products.

Information technology solutions that maximize the return on your investments in electronic medical record systems and related software and hardware.

"As a result of the Intalere Savings Roadmap engagement, I have a better knowledge of the GPO roles and how we can utilize Intalere as a resource to help control our costs."
