

ABOUT

About MED3000

MED3000 offers a range of healthcare provider services, focusing on revenue cycle management. For 25 years, we have helped healthcare providers remain independent by supporting their business needs.

Physician-Owned, Physician Focused

Like your practice, MED3000 is physician-owned. We understand the needs and challenges faced by independent physician practices, because we've been there. MED3000 goes the extra mile to help your practice succeed – we are invested in your success!

VISION

“Our goal is to improve the communities that we serve and have a positive impact on society. If we are not confident that we can do a good job for you and in turn fulfill our Company Vision, we promise to respectfully decline the opportunity”
